

14th National Conference on Machines and Mechanisms (NaCoMM 09) December 17-18, 2009 National Institute of Technology Durgapur, India

First Announcement for NaCoMM 09

The 14th National Conference on
Machines and Mechanism (NaCoMM 09)

will be held at

National Institute of Technology Durgapur, India

(In association with the *Association for Machines and Mechanisms*)

Dates

December 17-18, 2009

Organized by

Department of Mechanical Engineering
National Institute of Technology Durgapur, India.

Topics for NaCoMM 09 include but are not limited to:

1. Analysis and Synthesis of Mechanisms
2. Theoretical Kinematics
3. Robotics
4. Dynamics and Vibration Analysis of Machinery
5. Micro, Nano Machines and Mechanisms
6. Biomedical Devices and Mechanisms
7. Mechanisms and Machines for Rural, Agricultural, Textile, and Industrial Applications
8. History of Machines and Mechanisms

All the accepted papers for NaCoMM 09 will be available on CD as well as in printed proceedings. Selected papers would be recommended for publication in the IFToMM journal *Mechanism and Machine Theory*.

A national level students' competition on indigenously developed mechanisms will be a part of NaCoMM for the first time. A special session will be dedicated for this purpose. Further details would appear soon at the conference
